

EARTH DAY 2022

# INVEST IN OUR PLANET

## EARTH DAY - FRIDAY APRIL 22, 2022

This initiative was started by our Unifor member Kelli Peters who volunteers with the Men's Street Ministry to feed homeless people in the Hamilton/Brantford area.

Looking for ways to help those in need. Now you can!!!!

We need your help!!!!!!

Men's Street Ministry serves about 150 homeless per day in Hamilton and Brantford. We are collecting your **Drink Trays** to reuse and serve the homeless their daily meals. Thank you for helping one tray at a time!

Save Your Drink Trays Here.

***Reuse the trays: you are also helping our environment by reducing waste!***

Collection points have been set up around OAC to collect your drink trays. The collected trays will be Re-Used by the MSM to serve cups of soup, coffee, pasta, yogurt to people in need. Ford Motor Co. & Leadec are facilitating the collection of trays from all Depts. Thank you to all the Unifor members who have supported and SAVED the TRAYS!!

Issued: April 20 / 22  
Take Down: April 25 / 22
