

OAC - P708 SUPER DUTY Successful Applicant List

To electronically search for the job that you have, you will have to open the .pdf file and press Control <F> and type in your Global ID (without the zero's in front). This will take you to the line that contains the job information that includes the Job Ad Number, Job Name, classification and rate of pay.

Job Bids were used to determine an employees job placement. Employees that were not successful or did not bid during the bidding process remained on the jobs they identified prior to the bidding. Reduced or Pending Post employees that were not successful have been allocated to open jobs.

Challenge Period: If you have questions or concerns with respect to the job has been identified as a result of the P708 Mega post please contact Employee Relations via OACER@ford.com and your Committeeperson. You maybe required to bring in your copy of the bid sheet to review the results. The challenge period will remain open till June 5, 2026 at 2:30pm.
