

VOTE **ALYSHA BERGIE**

For Alternate Employment Equity Representative & Women's Advocate

Hello there! My name is Alysha Bergie. I have dedicated 12 years to Ford Motor Company and have been passionately involved in our union since 2022. My leadership as vice-chair of the Women's committee and elected positions on the Environment committee, Leaflet committee, and Youth committee since 2023, will demonstrate that I am already fighting for you. My community involvement on the Unifor West GTA Regional Environment Council as well as completion of valuable courses such as Women in Leadership (2025), Health & Safety, Stress in the Workplace, and Family Education (2024) prove that I can accomplish remarkable things efficiently.

I stand firm on principles of inclusion, fairness, and workplace safety; these are our rights that we deserve. Choose me, and I guarantee you will have a representative who creates a workplace where everyone feels valued and comfortable. My proven work ethic, genuine compassion, confidentiality, and kind approach are my strengths to serve you effectively.

Together, we can develop a work environment where we inspire each other, feel accepted, and ensure that no one feels uncomfortable. Vote for someone who will truly stand up for you. I sincerely appreciate you taking the time to read this and consideration of your vote.

Thank you
