

# **Elect Aaron Hornsby for Chassis Steward**

**Sisters and brothers,**

**This election day I ask you for your support in electing me as your chassis steward. Previously I held the position of alternate steward for chassis for 6 years where I functioned in all areas of the chassis department. As a member of Unifor local 707 since 2014 I have attended the following courses to prepare myself to be able to represent fellow sisters and brothers:**

**Grievance handling**

**Human rights**

**We face many different challenges on a daily basis and I am confident I will be able to properly represent and advocate on behalf of my sisters and brothers of local 707.**

**I appreciate your support in allowing me the opportunity to represent you in this new capacity.**
