# BRENT DROPPPO

— **TRIM STEWARD** —

I am respectfully asking for your continued support for re-election as **Trim Steward**. As your Steward, I promise to continue to be approachable, diligent, and dependable. I have a proven track record for getting conducts/write-ups resolved, either on the shop floor or with Labour Relations. I have helped to resolve numerous pay issues, grievances, and conflicts, and I have had great success with getting our members time off when requested. My many years serving as your elected representative have taught me how to deal with every scenario that might come our way, using my extensive knowledge of the Collective Bargaining Agreement. I had the opportunity to help laid off members from across all departments and shifts at the Halton Region Action Center for the duration of the layoff and gained extensive knowledge of Employment Insurance, SUB, and IMP benefits.
