

RE-ELECT
JAMIE NORTON
For ALTERNATE STEWARD

BODY 1 (BOX LINE & MP&L), BODY 2, STAMPING, FITTERS and PRE-DELIVERY

Brothers and Sisters:

Welcome back! I know for some of you the past two years of layoff have not been easy on you or your families, for others it was a welcome break. But here we are, finally and getting back into the rhythm of work—while learning a new facility and product— all of which comes with its own challenges. We are heading straight into an election, 2026 bargaining, and continued uncertainty in the global auto industry.

These are tough times, but I truly believe in the strength of our membership and leadership and our ability to move forward together and come out in a solid position. At times like this, **experience, responsibility, and accountability matter**. I have **proven that as your Alternate Steward, and I will continue to deliver**—doing the work to support our members and respond to their needs.

I respectfully ask for your support for **re-election as ALTERNATE STEWARD for BODY 1 (Box Line & MP&L), BODY 2, STAMPING, FITTERS, and PRE-DELIVERY**.

During my time in the plant, I have **served not only as Alternate Steward, but also in several positions within our Local and National leadership**, while supporting other representatives on the floor. I have firsthand **experience working with the company to successfully resolve disputes and protecting our members' interests**.

This range of experience has given me the knowledge to respond quickly and effectively to members' concerns. My experience as Alternate Safety Trainer strengthens my work as Alternate Steward, giving me real insight into the daily challenges faced by our PMHV operators.

A full list of the positions I have held is included on the reverse of this leaflet. I have also served on standing committees, completed union education courses, and **regularly attend General Membership Meetings to stay informed and engaged on the issues that matter to our members**.

When it comes to addressing member issues, **I bring experience, persistence, and a willingness to take on challenges**. I have a **proven record of standing up to the company by putting in the time to stay informed, educated, and up to date on the practices within our plant—and by listening to our members**.

I believe in **clear, confidential, and honest communication**. Members deserve to be informed, and to have **representation that is visible, approachable, and accessible**.

If re-elected, I will **continue to use my experience to be an effective Alternate Steward** for our membership, while supporting our full-time steward and fellow representatives.

I appreciate your consideration of me for the position of ALTERNATE STEWARD for BODY 1 (BOX LINE & MP&L) BODY 2, STAMPING, FITTERS, and PRE-DELIVERY. My email address if you have questions about me or my campaign is jnorton707@hotmail.com.

JAMIE NORTON

I AM #2 ON THE BALLOT
