

Re-Elect Jeff Watson Alternate EFAP

Fellow Members

I have been a member in continuous good standing with Local 707 since 1999 and have had the privilege of serving as your Alternate EFAP Coordinator for the past 12 years.

By mid-2007, my struggles with addiction and mental health challenges had reached a critical point, leading me to seek support through this office. The assistance I received became a cornerstone of my recovery journey. On July 6, 2007, I was given the opportunity to begin that journey, and I have remained committed to my recovery ever since.

Over the years, through extensive involvement in both my workplace and community, I have gained valuable experience and insight that have contributed significantly to my personal growth and strengthened my ability to support others.

I remain passionate about this work and am committed to continuing to serve our membership. I respectfully ask for your support for re-election as your Alternate EFAP Coordinator.

In solidarity,

Jeff Watson
