

RE-ELECT

JOE BIZZARRO

Alternate Steward MP&L / Stamping MP&L

VOTING JUNE 12 - JUNE 19

Brothers and Sisters,

My name is Joe Bizzarro, and I am proudly asking for your support in the upcoming election for Alternate Steward – MP&L / Stamping (MP&L).

For the past 24 years, I have been a proud Local 707 member, beginning my career in Ontario Truck Plant in 2002. Throughout those years, I have built a reputation for standing up for my fellow brothers and sisters, speaking up when it matters, and helping members find solutions when challenges arise.

My commitment to serving our membership goes beyond this office. To strengthen my ability to represent and support our members, I completed Port Elgin PEL courses in Conflict Resolution and Human Rights. These courses have provided me with valuable skills to address workplace concerns, advocate effectively, and ensure that every member is treated fairly and with respect.

Since 2023, I have had the privilege of serving as an elected Union representative, working directly with members to address workplace issues and protect our collective rights. When many of our members faced an extended layoff lasting more than two years, I made it a priority to be actively involved at the Halton Action Centre, helping our members navigate difficult circumstances, access available resources, and overcome hardships during an uncertain time.

For those of you who know me already know I'm running because I believe in service, accountability, and strong representation. I believe every member deserves to have their concerns heard, their rights protected, and their voice represented with integrity and determination.

If elected, I will continue to be approachable, accessible, and committed to fighting for the interests of our membership. I will listen, advocate, and work tirelessly on your behalf.

Experience matters. Commitment matters. Representation matters.

On election day, I respectfully ask for your vote and the opportunity to continue serving our membership.

Vote JOE BIZZARRO

#2 on the ballot
