

**Elect Lindsay Hinshelwood**  
**Steward for Body #1/Body Pre-Delivery/Body – MP&L**

Brothers and Sisters,

It has been a privilege to represent Body 2/3 as Alternate Steward this past term. I was able to gain a wealth of knowledge and experience from my now retired predecessors, and of course from serving the members on the shop floor.

For over 27 years I have been a dedicated and actively engaged member of our Union. I have regularly attended General Membership meetings over the years, addressed issues at the microphone and presented motions, participated in workshops offered at the Hall, completed post secondary Labour Studies courses, organized picket line support and demonstrations and attended bridge building opportunities with other Canadian union members.

Engagement with our members is how we build strength for resolving our disputes especially as we move forward with our new manufacturing at OAC. I advocate for sharing our knowledge. Being an informed member is a constant learning experience and I'm committed to doing the work it requires.

Workers' rights are my passion. If elected, I will be dedicated to this position. I thank you for your support in the past on the ballot and on the shop floor. I'm now asking for your support to elect me as Steward Body #1.

In solidarity,

Lindsay Hinshelwood

**Resilient, Committed, Decisive**
