

# Your Body. Your Health.

# Your VOTE!

*I am Lisa Allen-Dennis. I have had the privilege of serving as your current alternate Ergonomics Representative. Now, after our long and difficult 2+ year layoff, it is time for new beginnings and a fresh start.*

*The line wears down our backs, feet, hands and shoulders on a good day. As our parts get heavier and the line speeds up, our bodies have always paid the price. It is time to **MAKE YOUR HEALTH A PRIORITY!!***

**I AM READY** to step up and help protect your health every single shift.

Trained **ON** the line. Fighting for **ALL** Local 707 Members

## *Lisa Allen-Dennis*

**FOR YOUR**

# **ERGONOMICS REPRESENTATIVE**

**Promote Safety:** stop treating chronic assembly pain as "just part of the job"

**Action, NOT Ice Packs:** Let's turn physical workstation concerns into immediate action

**Support Wellness:** Putting your joints and safety ahead of company line speeds
