

Re-Elect MIKE LONGER

For
Time Standards Committeeperson

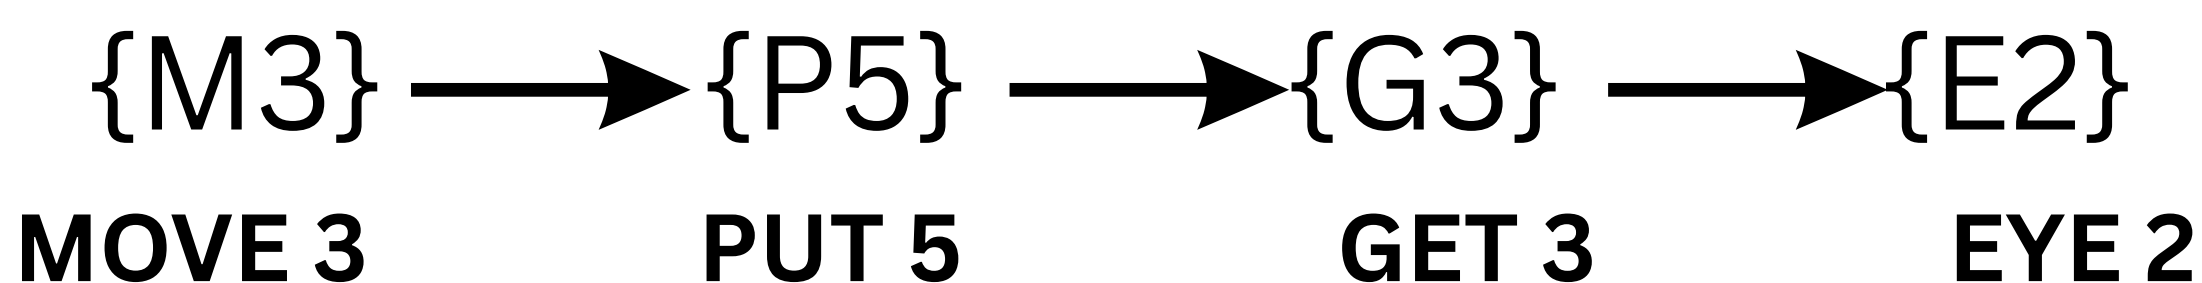

WHY MIKE LONGER?

- *Certified Expertise:** Extensive hands-on experience in **MODAPTS** (Modular Arrangements of Predetermined Time Standards).
- *Fair Standards:** Dedicated to ensuring production rates are realistic, safe, and ergonomically sound.
- *Data Driven Defense:** Using scientific data to protect workers from unfair and unachievable quotas.
- *Open Door Policy:** Ready to review, audit, and dispute any questionable time-study on your behalf.

MY COMMITMENT TO YOU

- 1. Audit Every Dispute:** I will personally verify disputed standards using precise **MODAPTS** coding.
- 2. Ergonomic Safety:** Factoring proper fatigue, delay and personal allowances into every rate.
- 3. Transparent Communication:** Breaking down complex engineering data into clear, simple terms for everyone.
