**MATT CARREIRO****CHASSIS STEWARD****PROVEN PRESENCE**

Always visible on the floor and available to every member.

**GETS RESULTS**

Won't let your concerns rest until an answer is found.

**YEARS OF EXPERIENCE**

Worked side by side with you — understands the daily challenges we face together.

**READY FOR CHANGE**

The right person to lead through OAC's major upcoming changes.

**Sisters and Brothers** — I am asking for your continued support to be re-elected as your full-time Chassis Steward. During this past term, it has been an honour to serve as your steward and represent your concerns when dealing with the company.

In that time, I have gained more knowledge to address your concerns when challenging OAC's management. I pride myself on being someone who **gets things done on your behalf**. I have worked side by side with many of you over the years — it has been a privilege to represent the workers in the Chassis department.

My passion has driven me to fight on your behalf, and I strive to represent you to the best of my ability. As we move forward with the major changes coming to OAC, I know I am **the right person to represent you — today and in the future**.

*On Election Day, I ask for your support once again.*
