

## *Brothers and Sisters,*

I am seeking your vote for re-election as your Alternate WSIB Representative. Serving you in this role has been a privilege, and I am fully committed to continuing my advocacy for our members. Over my current term, I have worked hard to understand the complexities of the WSIB system, ensuring our injured workers receive fair treatment, clear guidance, and the full benefits they deserve. If re-elected, I will continue to bring experienced leadership, strong representation, and a dedicated voice to our union team. Thank you for your continued trust and support.

*IN SOLIDARITY,*

Mike Augello
