PROVEN LEADERSHIP • EXPERIENCE • DEDICATION

THANK YOU FOR YOUR SUPPORT FOR ACCLAMATION!

RE-ELECTION VOTING DATES

BUILDING ON OUR SUCCESS

Ford has remained highly profitable over the past decade. As we move forward, we must continue fighting for the gains our members deserve, including:

- ✓ Improved COLA protection
- ✓ Stronger pensions
- ✓ Better wages and benefits
- ✓ Improved quality of work life
- ✓ Greater opportunities for all members

One of my key goals has always been ensuring that workers can build a successful career and retire from Oakville with security and dignity. The F-Series investment helps secure that future, but there is still more work to do.

**TOGETHER, WE CAN ACHIEVE
EVEN GREATER GAINS.**
