

# Re-elect a Trustee you can rely on.

As Trustee for the past six years, I have worked hard to ensure that audits, transactions and procedures were upheld to the highest standards.

I've been working on the line for 24 years; battling job changes, raising health and safety concerns, and supporting our members with the same issues. I've challenged supervisors, area managers, reps and leadership. This June, re-elect a Trustee you can rely on.

**Actively involved in 707 events:**

Food Drives, Fundraising, Charity Runs, Campaigns, Rallies

**Completed courses:**

Grievance Handling, Workplace Leadership, Health and Safety, Executive Board Training, Conflict Resolution
