

# ELECT TREVOR MASON

## Constitution Convention

### ***Brothers and Sisters,***

I respectfully ask for your support in my desire to represent Local 707 at the Constitution Convention.

The Constitution Convention is where strategic planning and debate on the direction of Unifor happens. It is also where we elect our National Leadership.

With my 15 years' experience as the Employee Family Assistance Program (EFAP) Coordinator and the other roles I have fulfilled in leadership, I believe I would represent Local 707 well at the convention.

Through my work on the Ontario Regional Council EFAP Standing Committee, I continue to build connections both within and beyond Unifor, enabling me to advocate more effectively for enhanced supports in mental health and addiction. My commitment to these issues is strong, and I would be grateful for the opportunity to bring this advocacy to the steering convention of our national union.

Thank you for your consideration and support!

In Solidarity,

*Trevor Mason*
