

ELECT
CHRIS
GODSMARK
ALTERNATE STEWARD
TRIM

Brother's and Sister's,

I have been a proud member in good standing with Unifor and the C.A.W. for the last 31 years with combined employment at Ford Motor Company, Lear Corp and Automodular. I have worked in trim and chassis combined for 11 years. With my experience, I truly understand the everyday issues we face here in the plant on a daily basis.

I currently hold an alternate steward position in chassis. In the past I have held a full time steward and committee person position in the past (both at Automodular Corporation).

With this I will say that I will always put the memberships interests first. We all deserve a safe, respectful and harassment free working environment. I will use every resource available to me to represent each and every member timely and successfully.

In solidarity,

Chris Godsmark

VOTE: **CHRIS GODSMARK** for **Alternate Trim Steward**
